Equipment

Please see the **Anita's Room - What's Inside** document for details of provided equipment.

Please list any items that you will be bringing in during your residency.

Risk Assessment

At least one member of the company must be designated as the responsible person who will take charge of any incidents, be responsible for roll call should there be an evacuation and ensure that the building is secure. They are responsible for briefing the rest of the company and being on site at all times. This person should have Public Liability Insurance up to £5million and may be asked to provide evidence of this.
