# Community

## **Brighton Dome and Brighton Festival in Your Community**

A free celebration of creativity across the city, Brighton Dome and Brighton Festival work in partnership with community steering groups to select, programme and produce art projects, performances and events for their communities, taking place in their neighbourhoods.

Throughout the year we work with the communities of Hangleton and Knoll, East Brighton and Moulsecoomb and Bevendean on:

### **Artist-in-Residence Programme**

Each spring, Artists work together with the steering groups to create innovative, accessible artistic projects with community inclusion at their heart. These always culminate in a celebratory sharing during the Brighton Festival in May.

### **Audience Club**

Through our Audience Club, we provide opportunities for the community to see and participate in free cultural events at Brighton Dome, and in Brighton Festival, as well as across the city.

## Primary School Tours

We programme theatre performances into primary schools across the areas to reach as many children as possible. Last year we worked with Half a String Theatre to tour 'Breathe' a live puppetry performance celebrating nature and finding space in a buzzing community.

## Library Performances

In partnership with Brighton and Hove Libraries, we present family performances and workshops in community libraries so that families can enjoy some FREE creative activities close to home. In November 2024 we toured Little Seeds production Luna Loves Library Day ,Ài The Musical! to all 3 libraries, giving joy to over 250 adults and children attending the free shows.
