

## Visual Notes:

### Ernest Device Description:

Ernest is 5ft7, slim build. His hair is a bright red and reaches the nape of his neck. He has pointy elf ears and pale greyish skin which is covered in scars. He has an eye patch covering his right eye and his other eye is blue. He wears a long trench coat, waistcoat and harness, fingerless gloves, trousers and high boots all made out of leather. Attached to his belt are two silver daggers and across his neck is a silver chain with a skull pendant and above is a black necklace with a flint pendant. His gaze is a mix of cheekiness and meaningfulness.

### Stage Description:

At the front of the stage at the centre is a microphone stand and microphone. During the performance Ernest tells his story from the mic.

### Action Description:

When Ernest says the line "ABLIEST!! THERE'S AN ABLIEST!! GET THEM!" He points to an imaginary person in the audience.

During the song *Losing my Mind* he emotes with his hands and finishes the number touching the flint pendant around his neck.

### Lighting Description:

The stage will be a wash of golden colour for the monologue. When Ernest starts singing *Losing my Mind* the lighting will change to a single spotlight on Ernest.
