We understand that there are artists who may need to work at non-standard times because they experience barriers in doing so (e.g. caring responsibilities or access needs). Please use this text box to describe if you would like to do this.

Please provide information on your proposed schedule (i.e. arrival times, departure times) *

Are you in receipt of regular funding? *

- Yes
- No

What do you want to use the space for? What will you be aiming to do in your residency? Please include any information you might have on team you hope to work with, aims of the project or audience/communities you aim to reach? If your project is more related to practice development, then please use this box to describe your focus. *

Do you have any room set up or furniture requirements?

How many people will access the space? *

Will there be any sharing or public/invited guests? If so, please give some detail about how many attendees and the likely date and times they will be in attendance. *

Equipment

Please see the **Anita's Room - What's Inside** document for details of provided equipment.

Please list any items that you will be bringing in during your residency.

Risk Assessment

At least one member of the company must be designated as the responsible person who will take charge of any incidents, be responsible for roll call should there be an evacuation and ensure that the building is secure. They are responsible for briefing the rest of the company and being on site at all times. This person should have Public Liability Insurance up to £5million and may be asked to provide evidence of this.
