Who are we?

We make memories and inspire creativity with a year-round programme of arts

and entertainment events at our venue and across the city, from your favourite pop group to a brand new discovery. We offer a chance to enjoy, dance, laugh, hear and learn with us and each other. Each May we put on Brighton Festival – a city-wide celebration of music, theatre, dance, circus, art, film, literature, debate, outdoor and family events.

As a charity we aim to bring diverse and inspiring experiences to all sorts of people by offering new ways to discover and take part in the arts, including music education, workshops, community open days and free outdoor events for all the family.
